#### OVERVIEW OF THE WEBINAR

This two-part webinar focuses on the **Horizon Europe Marie Skłodowska Curie Postdoctoral Fellowships (MSCA-PF)**. You will receive **practical tips** from an experienced EC evaluator on how to write a competitive proposal. At the end of the webinar, you will understand what to write under each of the headings in the proposal documents, and how the EC evaluator will assess each section. The webinars are delivered online (via Zoom), typically one week apart. After registration, each participant will receive a personal link and password for the webinars, and a copy of the webinar slides and materials. Questions and interaction will be facilitated during the webinars.

#### ABOUT MSCA-PF FUNDING

MSCA-PF funding enhances the creative and innovative potential of **experienced researchers** wishing to diversify their individual competence in terms of skill acquisition through **advanced training, international and inter-sectoral mobility**. It provides opportunities to **acquire and transfer new knowledge** and to work on research **within or outside Europe**. Calls are open to researchers of any age, nationality or discipline, with a **bottom-up approach**, that is, research fields can be chosen freely by the applicants.

#### WHO SHOULD ATTEND THE WEBINAR?

Researchers, Research Supervisors, Principal Investigators, Research Group Leaders, and Research Managers and Administrators.

#### BOOKINGS

Webinars are provided for groups of 12 up to 50 people. If you wish to run a webinar at your organisation, email: [info@halbertresearch.com](mailto:info@halbertresearch.com)

#### THE WORKSHOP WILL BE PRESENTED BY DR. CATHERINE HALBERT OF HALBERT RESEARCH.

Catherine is an experienced EC Evaluator and has been involved in scientific research management for over 20 years.
