OVERVIEW OF THE WEBINAR

This webinar focuses on the Horizon Europe **Marie Skłodowska Curie Doctoral Networks (MSCA-DN)**. You will receive **practical tips from an experienced EC evaluator** on how to write a competitive proposal. At the end of the webinar, you will understand what to write in each section of the proposal application, and how the EC evaluators will assess each part.

ABOUT MSCA-DN FUNDING

MSCA Doctoral Networks aim to train creative, entrepreneurial, innovative, and resilient **doctoral candidates**. MSCA Doctoral Networks will implement **doctoral programmes**, by **partnerships** of universities, research institutions and research infrastructures, businesses, and other socio-economic actors from different countries across Europe and beyond. The doctoral programmes should respond to R&I needs, expose the researchers to the academic and non-academic sectors, and offer training relevant for innovation and long-term employability.

WHO SHOULD ATTEND THE WEBINAR?

Research Group Leaders, Research Supervisors, Principal Investigators, Researchers, Research Managers & Administrators, and Collaborators.
